

Hey! Welcome to your **Norjam** adventure!

We're just reaching out as an introduction to us, **Matthew** and **Kester**, your International Support Team.

Our role is to provide **helpful knowledge** and **practical support** to help make sure you have the most warm, welcoming and unforgettable time with us here in the UK in 2025.

A little bit about us

Hi, I'm Matthew, I've been involved with Scouts since I was eight years old. I'm really proud of the international exposure Scouting and Guiding gives to young people to help them become better world citizens. I've volunteered at several Norjams and at a World Scout Jamboree. I was previously the lead volunteer for Norfolk so have plenty of contacts with helpful people!

Hi, I'm Kester. I've been a Scout since I was 15, when I became a young leader with Cubs at the group, I'm still a part of now. I've been a volunteer with the UK Contingent team at two World Scout Jamborees, and although this will be my first time volunteering at Norjam, I'm used to taking my own group to similar events and have visited Norjam for a day, so understand the support contingents need to get the most out of Norjam. I can't wait to meet you all.

Some of the things we can help you with:

- **Local knowledge** about the UK
- Putting you in contact with **Scouts and Guides locally**
- Considering **practical issues** like cooking and accommodation
- Being a **point of contact** for information

If you've got any questions then do not hesitate to contact us on admininternational@norjam.org.uk
